

On January 5, 2026 I had the opportunity to visit a housing facility in Florida with the Supreme President of the Delegation of the Supreme Lodge of AHEPA, representing Empire State District Six. It was an honor to tour the site, discuss pressing needs, and explore ways we can work together to support safe, affordable housing for our community. Grateful for the warm welcome and the leadership's commitment to service — looking forward to continuing this important collaboration. #AHEPA #EmpireStateDistrict6 #Housing #CommunityService
